

HMSA's Annual Physical Exam Benefit for HSTA VB Active & Retirees and EUTF Retirees

Staying in touch with your physician is a great way to take care of your health. With your annual physical exam, you don't have to wait until you're sick to make an appointment. This preventive care visit can help you assess your health and give you more time to talk to your physician about your questions and concerns.

What's included in your annual physical exam?

- Routine vision and hearing tests.
- Audiogram (optional).
- Blood count.
- Chest X-ray.
- A biochemistry panel and/or electrocardiogram (available to members age 40 and older).

This benefit is available at a \$0 copayment for HSTA VB Actives & Retirees and EUTF Retirees.* If you need to find a physician, you can use the Find a Doctor tool on hmsa.com/eutf.

For a full description of your benefits, go to hmsa.com/eutf, hover over Health Plans, and click Active Employees. Find your plan in the table, scroll to Full plan benefit details, and click Medical.
