

EUTF Diabetes Resource Guide

For retirees and
their family members

Live well, stay well, get well.

November 2019

An Independent Licensee of the Blue Cross and Blue Shield Association

We'll help you live healthy

Diabetes can seem intimidating. But with the appropriate care and education, anyone can successfully manage their condition. Did you know that reducing your blood glucose level by just 1% can help you live longer and significantly lower your risk of complications?

Whether you want to improve your health to enjoy a longer life or your next adventure, your EUTF plan benefits were designed to support you. This guide was put together to help you make the most of your EUTF benefits and the many resources available to you from HMSA, CVS Caremark®, and your primary care provider (PCP).

Diabetes checkups are an extremely important part of diabetes care. Establishing a close relationship with your PCP is one of the best ways to manage your health. When you communicate openly, your PCP will be able to notice changes in your physical or emotional health and can tell you which of the services below are right for you:

Essential annual exams and tests

- ✓ Blood glucose (HbA1c).
- ✓ Dilated retinal eye exam.
- ✓ Comprehensive foot exam.
- ✓ Cholesterol test.
- ✓ Blood and urine tests to measure how well your kidneys are working.

If you don't have a PCP, simply go to hmsa.com/eutf and click Find a Doctor. Or call 948-6499 on Oahu or 1 (800) 776-4672 toll-free on the Neighbor Islands. Once you have a PCP, make an appointment for an annual checkup to assess your overall health. If you see a provider in our network, this preventive checkup is available at no cost to you.

In addition to your PCP, diabetes support is available.

- **A team of health care professionals, registered dietitians, and health coaches** can supplement the care you receive from your PCP. To learn more, call 1 (855) 329-5461, option 1, toll-free, Monday through Friday, 8 a.m. to 5 p.m.
- **Personalized outreach.** If you've been recently diagnosed with diabetes, an HMSA representative may call you to share a diabetes checklist and help you better understand the benefits, programs, and health coaching that are available to EUTF members.
- **Certified diabetes educators.** Diabetes educators can help you develop a personalized plan. To learn more about cost and eligibility, call 948-6499 on Oahu and 1 (800) 776-4672 toll-free on the Neighbor Islands, Monday through Friday, 7 a.m. to 7 p.m. and Saturday, 9 a.m. to 1 p.m.
- **Behavioral health care providers.** Together with our partners at Beacon Health Options, HMSA can help you and your dependents alleviate the stress that sometimes comes from managing a long-term medical condition. To learn more about getting a referral to behavioral health care providers, resources, and services, call Beacon Health Options at 695-7700 on Oahu or 1 (855) 856-0578 toll-free on the Neighbor Islands.
- **Fun and interactive health education workshops.** As an HMSA member, you're welcome to participate in any of our fitness, nutrition, stress management, or other workshops to help manage diabetes at no extra charge. To find a workshop that's right for you in your community, go to hmsa.com/well-being/workshops or islandscene.com. To register, call 1 (855) 329-5461 toll-free, Monday through Friday, 8 a.m. to 5 p.m.
- **Free diabetes guide.** Learn some of the best ways to manage diabetes. Use the ABCs of Diabetes checklist on page 5.

Prescription drug benefits

EUTF offers a comprehensive drug plan that covers most of your prescriptions with fixed copayments that keep costs down. The plan also offers preferred diabetes insulin at a lower copayment

and preferred diabetes supplies (such as Accu-Chek® and OneTouch® test strips, lancets, BD Ultra Fine™ pen needles, and syringes) at no cost.

CVS Caremark® Pharmacy	EUTF Non-Medicare Retirees			HSTA VB Non-Medicare Retirees	
	Retail (30-Day Supply)	Retail/ Mail Order (90-Day Supply)	National (90-Day Supply)	Retail (30-Day Supply)	Retail/ Mail Order (90-Day Supply)
Preferred Insulin	\$5	\$10	\$15	\$5	\$9
Other Insulin	\$15	\$30	\$45	NA	NA
Preferred Diabetic Supplies	\$0	\$0	\$0	\$0	\$0
Other Diabetic Supplies	\$15	\$30	\$45	NA	NA
	EUTF Medicare Retirees			HSTA VB Medicare Retirees	
Covered Insulin Products	\$5	\$10	NA	\$3	\$9
Diabetic Supplies	\$0	\$0	NA	\$0	\$0

The Diabetic Meter Program

This free program offers eligible EUTF retirees without Medicare (and their enrolled dependents) with one free blood glucose meter per year, either a OneTouch or an Accu-Chek. To take advantage of this offer, you must:

- Have diabetes and a valid prescription for blood glucose test strips. If you don't have a prescription for the blood glucose test strips, CVS Caremark may be able to get one from your doctor.
- Be enrolled in the CVS Caremark prescription drug plan through EUTF.
- Additional requirements or limitations may apply.

To apply for a free blood glucose meter or for resources to help you manage your diabetes, go to caremark.com/managingdiabetes or call CVS Caremark at 1 (800) 588-4456 toll-free. Meters will be shipped to you within seven to 10 days of the order.

For more information about your prescription benefits, visit caremark.com/eutf or call 1 (855) 801-8263 toll-free.

For a full description of your benefits, go to hmsa.com/eutf to download your *Guide to Benefits*.

Questions? We're here for you. Call us at 948-6499 on Oahu or 1 (800) 776-4672 toll-free or visit us at an HMSA Center or office. For locations and hours, see the back cover of this guide.

CVS Caremark® is an independent company providing pharmacy benefit management services on behalf of HMSA.

Diabetes Management

Living the Rewards of Good Health
