

Lower out-of-pocket costs for you on non-covered medications

RxSavingsPlus can help you save money on non-covered medications.

This program allows you to purchase medications not covered by your prescription plan at a discount.

You can save up to 80% on generics and up to 40% on brand-name medications.

Easy to use

Your experience is seamless. Simply present your CVS Caremark® benefit card and your prescription at one of more than 65,000 pharmacies in the CVS Caremark Discount Network and get a discount on the non-covered medication. Please call 1-855-801-8263 for inquiries.

Please note that since these medications are not covered by your plan, these discounted claims will not apply to any accumulations.

By your plan, these discounted claims will not apply to any accumulations.
